NOTICE FORMATION OF A NEW CLASSICAL ASSOCIATION

At the Classical Conference held at Annapolis in connection with the last Annual Convention of the Association of College and Preparatory Schools of the Middle States and Maryland, a committee was authorized to make a canvass, in order to ascertain the sentiment of classical teachers and students of the classics regarding the advisability of forming a classical association. Such associations have been formed in New England and in the Middle West and South. Similar organizations of other departments—mathematics, history—already exist in the Middle States.

The chairman of the committee would be pleased to receive, before November 20, from all persons interested who live in the territory covered by the Association of Colleges and Preparatory Schools, answers to the following questions:

1. Do you favor the continuance of the Conference as it is at present, an adjunct to the Association of Colleges and Preparatory Schools?
2. Do you favor the formation of an independent Classical Association of the Middle States and Maryland?
3. If you favor the formation of an independent association, how many meetings do you think should be held each year?
4. When should the first meeting be held?
5. Where should the first meeting be held?
6. If such an association should be formed, would you probably become a member?
